

### Nursery and Reception

This half term the children have been learning about minibeasts! They have learnt about different types of minibeasts through various craft activities.

They have also learnt about life cycles and have been building bug houses.

### Our Global Theme:

Our Heritage

### Year 1/2

The children have been learning about the Great Fire of London. They have learnt about what caused the fire and how it spread. They have also learnt about how we find out about events of the past by looking at the diary of Samuel Pepys. They have also considered how this event has changed the world we live in today.

### Year 3/4

This half term the children have been learning about the history of our school and the Howitts. They have learnt about who William and Mary Howitt were and about their lives. They have also learnt about what they achieved and why that made an impact on our local area.

### Year 5/6

This half term, the children have been learning about the Victorians. They have looked at timelines and discovered where the Victorians fit into British history. They have also learnt about key events and inventions from the Victorian era and all about Queen Victoria herself.
