

Reception Autumn Term 1 2026

Embark Award Homework

This half term, we are challenging our pupils to complete an Embark Award as their homework. Pupils can challenge themselves by completing more than one award!

<u>Family</u> 1 - Cook a family meal.	<u>Family</u> 9 – Take a walk in the countryside.
<u>Integrity</u> 19 – Follow or create a nature trail	<u>Success</u> 20 – Bring in an award achieved outside of school

Please let your child's class teacher know which award has been completed so your child can have an Embark achievement sticker in their award folder in school.

If your child has already completed the awards above, then please feel free to choose another award that they would like to complete.

We would love to see some photographs so please do send them in! Merits will be awarded for completed Embark Awards.

Thank you for your continued support.

Howitt Primary Community School

Did you know?

40 activities completed = Bronze Award
60 activities completed = Silver Award
90 activities completed = Gold Award
