

**Year 1 and 2 – Summer 2**  
**Topic Homework**  
**Our World and Beyond**

During this half term, year 1 and 2 will focus on the key question:

**‘What do I know about the coast?’**

This term our topic will be geography based. We will use our knowledge of physical and human features of Heanor to compare it to a coastal town.

**Homework: Make your own seaside themed setting.**

Please ensure that they are brought into school by W/C 7<sup>th</sup> July 2025.

**Thank you for your continued support,
