

Dear Parent/Carer,

We are pleased to announce that after February half term our school will be taking part in the Smile4Life oral health Toothbrushing Programme which aims to promote good oral hygiene routines from an early age, and has been shown to improve children’s dental health.

The programme is supported by the NHS Oral Health Promotion team and Derbyshire County Council. Each child will receive a free toothbrush and toothpaste which will be used during school time. This does not replace your regular toothbrushing times at home.

Please complete and return the slip below to give consent for your child to take part in this school programme and return to school as soon as possible.

Kind regards,

Ellinor Edgeley  
EYFS Co-ordinator

**Name of Child:**

I wish my child to take part in the Smile4Life Toothbrushing Programme

I do not wish my child to take part in the Smile4Life Toothbrushing Programme

Does your child have a dentist? YES  NO
