

AUTUMN TWO

Hello everyone, the children really enjoyed their first half term learning about the nursery, making new friends, learning all about each other and the autumn.

Each half term the children will learn and play through different topic themes and through their own interests. There will also be the overarching theme of seasonal changes as we go through the year and the children will become more familiar about the outdoors and the world around them.

Howitt Primary Community Nursery

Each half term there will be a newsletter to let you know what the children will be learning and how you can help at home.

Please do not hesitate to come and speak to us if you have any questions.

Messages

The Nursery Day

AM Sessions - 8.30-11.30

PM Sessions - 12.30-3.30

All day Sessions - 8.30-3.30

(Please send your child with

a healthy packed lunch if staying all day)

If you would like more information about attending the nursery please speak to either myself or Mrs Walker in the school office.

Please ensure ALL belongings are clearly labelled with your child's name.

Water bottles may be brought to Nursery; please ensure these are labelled with your child's name.

Please visit our nursery page on the school website.

Nursery | Howitt Primary Community School

19/11/24 - Stay and play session - fine motor skills.

(details to follow)

5/12/24 - Christmas Fair - after school

20/12/24 - Last day of term

Autumn 2

This half term our topic is 'Let's Celebrate'. The children will continue learning all about the autumn season including the weather, night and day, light and dark and local animals.

There are lots of different celebrations at this time of year, the children will have the opportunity to learn about harvest, Bonfire Night, birthdays, leading onto Christmas.

The children will then move onto learning all about Christmas and how we celebrate it.

The children will continue to have a wide variety of learning opportunities though our continuous provision both indoors and outdoors and will be encouraged to share their interests and favourite things with us.

How you can help

Look at books with your child, read a bedtime story and ask them to tell you what the story was about. Encourage them to make marks and draw pictures, they could have a go at writing their name with pencils, pens or chalk outside!!

Look out for numbers when you are out and about.

Count everything!

Snack in Nursery

All the children in nursery have access to snacks and water.

We encourage the children to be independent with their snack time and can choose when they have snack and how much they have. The snack time area is a place where they can refuel, socialise with friends and show their independence skills in managing their eating habits.

We provide healthy snack including fruits, vegetables, crackers, bead sticks etc.

To keep the variety of snack we offer the children we ask for a voluntary contribution of a £1 a week.

Thank you
