

Howitt Primary Community School

Pupil Acceptable Use Policy Agreement - Key Stage 2 September 2019

Pupil Acceptable Use Policy

Howitt Primary Community School Parental/Carer's Acknowledgment

I, with my child, have read and discussed Howitt Primary Community School's Pupil Acceptable Use Policy.

I am aware that any internet and computer use using school equipment may be monitored for safety and security reason to safeguard both my child and the schools' systems. This monitoring will be proportionate and will take place in accordance with data protection, privacy and human rights legislation.

I with my child, am aware of the importance of safe online behaviour and will not deliberately upload or add any images, video, sounds or text that could upset, threaten the safety of or offend any member of the school community.

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safe when they use the internet and systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies.

I understand that the school will contact me if they have concerns about any possible breaches of the Acceptable Use Policy or have any concerns about my child's safety.

I will inform the school or other relevant organisations if I have concerns over my child's or other members of the school communities' safety online.

I know that I can speak to the school Designated Safeguarding Lead ([Lynn Pilling/ Ellinor Edgeley](#)), my child's teacher or the headteacher if I have any concerns about online safety.

I will visit the school website (<http://www.howittprimary.org.uk>) for more information about the school's approach to online safety as well as to access useful links to support both myself and my child in keeping safe online at home.

I will support the school and my child by role modelling safe and positive online behaviour (such as sharing images, text and video responsibly) and by discussing online safety with them when they access technology at home.

I know that my child will receive online safety education to help them understand the importance of safe use of technology and the internet – both in and out of school.

I will support the schools online safety approaches and will encourage my child to adopt safe use of the internet and digital technologies at home.

Pupil Acceptable Use Policy

Howitt Primary Community School is committed to safeguarding and promoting the welfare of children. All pupils use computer facilities including Internet access as an essential part of learning, as required by the national curriculum, therefore, gaining pupils' and parents'/carers' agreement to online safety rules is important.

This policy is reviewed regularly, following any national and local initiatives.

To ensure clarity, the online safety rules appropriate to the age of the pupil will be included with the letter to parents.
