APPENDIX A

Remote Learning During the Coronavirus (COVID-19) Pandemic

Within the ever-changing circumstances we are currently living through, we must be prepared for local lockdowns. In the event of a local lockdown, the school will implement provision for remote learning to ensure pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines how we will deliver remote education during the pandemic.

1. Legal framework

1.1 This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:

- DfE (2020) 'Safeguarding and remote education during coronavirus (COVID-19)'
- DfE (2020) 'Adapting teaching practice for remote education'
- DfE (2020) 'Guidance for full opening: schools'
- DfE (2020) 'Get help with technology during coronavirus (COVID-19)'
- DfE (2020) 'Get laptops and tablets for children who cannot attend school due to coronavirus (COVID-19)'
- DfE (2020) 'Laptops, tablets and 4G wireless routers provided during coronavirus (COVID-19)'

2. Contingency planning

- 2.1 The school will open to all pupils at the start of the autumn term, in line with national and local guidance.
- 2.2 The school will work closely with the Derbyshire County Council and Embark Academy Trust to ensure the premises is 'COVID-secure', and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.
- 2.3 If a child is *shielding or self-isolating* then the class teacher and family support team will agree a remote learning plan to meet needs of the individual and family circumstances. This will be approved by the class teacher. See *Self Isolation -Remote Learning Guidance for Parents & Children Sept 2020 via parents' letters and information on the school's website.*
- 2.4 The school will work closely with Public Health England when entering into a local lockdown or when an adult or pupil is tested positive and implement the provisions set within their contingency plan.
- 2.5 The school will communicate its plan for a local lockdown with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.

- 2.6 If there **is not** a local lockdown, but a single class or 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group.

3. Teaching and learning

- 3.1 All pupils will have access to high-quality education when remote working.
- 3.2 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.
- 3.3 When teaching pupils who are working remotely, teachers will:
- Set assignments so that pupils have meaningful and ambitious work each day.
 - Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
 - Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
 - Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
 - Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
 - Plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including daily contact with teachers.
- 3.4 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.
- 3.5 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
- 3.6 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- 3.7 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.
- 3.8 Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means:
- Pupils in Years 3 to 6
 - Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice
 - Children in all year groups who are unable to access remote education whilst attending school on a hospital site
- 3.9 Before distributing devices, the school will ensure:

- The devices are set up to access remote education.
- Appropriate safeguarding controls and support are in place to help pupils and their families use the devices safely.

3.10 Once devices are ready for collection, the school will either arrange for them to be collected by families from school or delivered to pupils' homes, ensuring infection control measures are adhered to as part of this process.

4. Returning to school

- 4.1 The headteacher will work with the LA to ensure pupils only return to school when it is safe for them to do so.
- 4.2 After a period of self-isolation, or the lessening of local lockdown rules, the headteacher will inform parents when their child will return to school.
- 4.3 The headteacher/senior leadership team will listen to all concerns that parents may have about their child returning to school and will advise them of the measures in place to ensure the safety of their child.

5. Monitoring and review

- 5.1 This policy annex A will be reviewed in line with any updates to government guidance.
- 5.2 All changes to the policy will be communicated to relevant members of the school community.
