

Year 3 / 4

## Spring 2 Homework Project

During spring term 2, year 3 and 4 are learning about Air Pollution as part of the theme this half term which is 'Saving our Environment.' Our topic question is 'How is air pollution harming the environment?'

At Howitt Primary School, we are encouraging our children to become independent learners, who have the enthusiasm to learn and to challenge themselves. There are some different homework projects that your child may choose from. If they would like to do them all, then that would be amazing!

Create a poster to show what we could do to

reduce air pollution.

Using your recycling, create a 3D model showing where air pollution comes from.

Complete some of the Embark Awards:

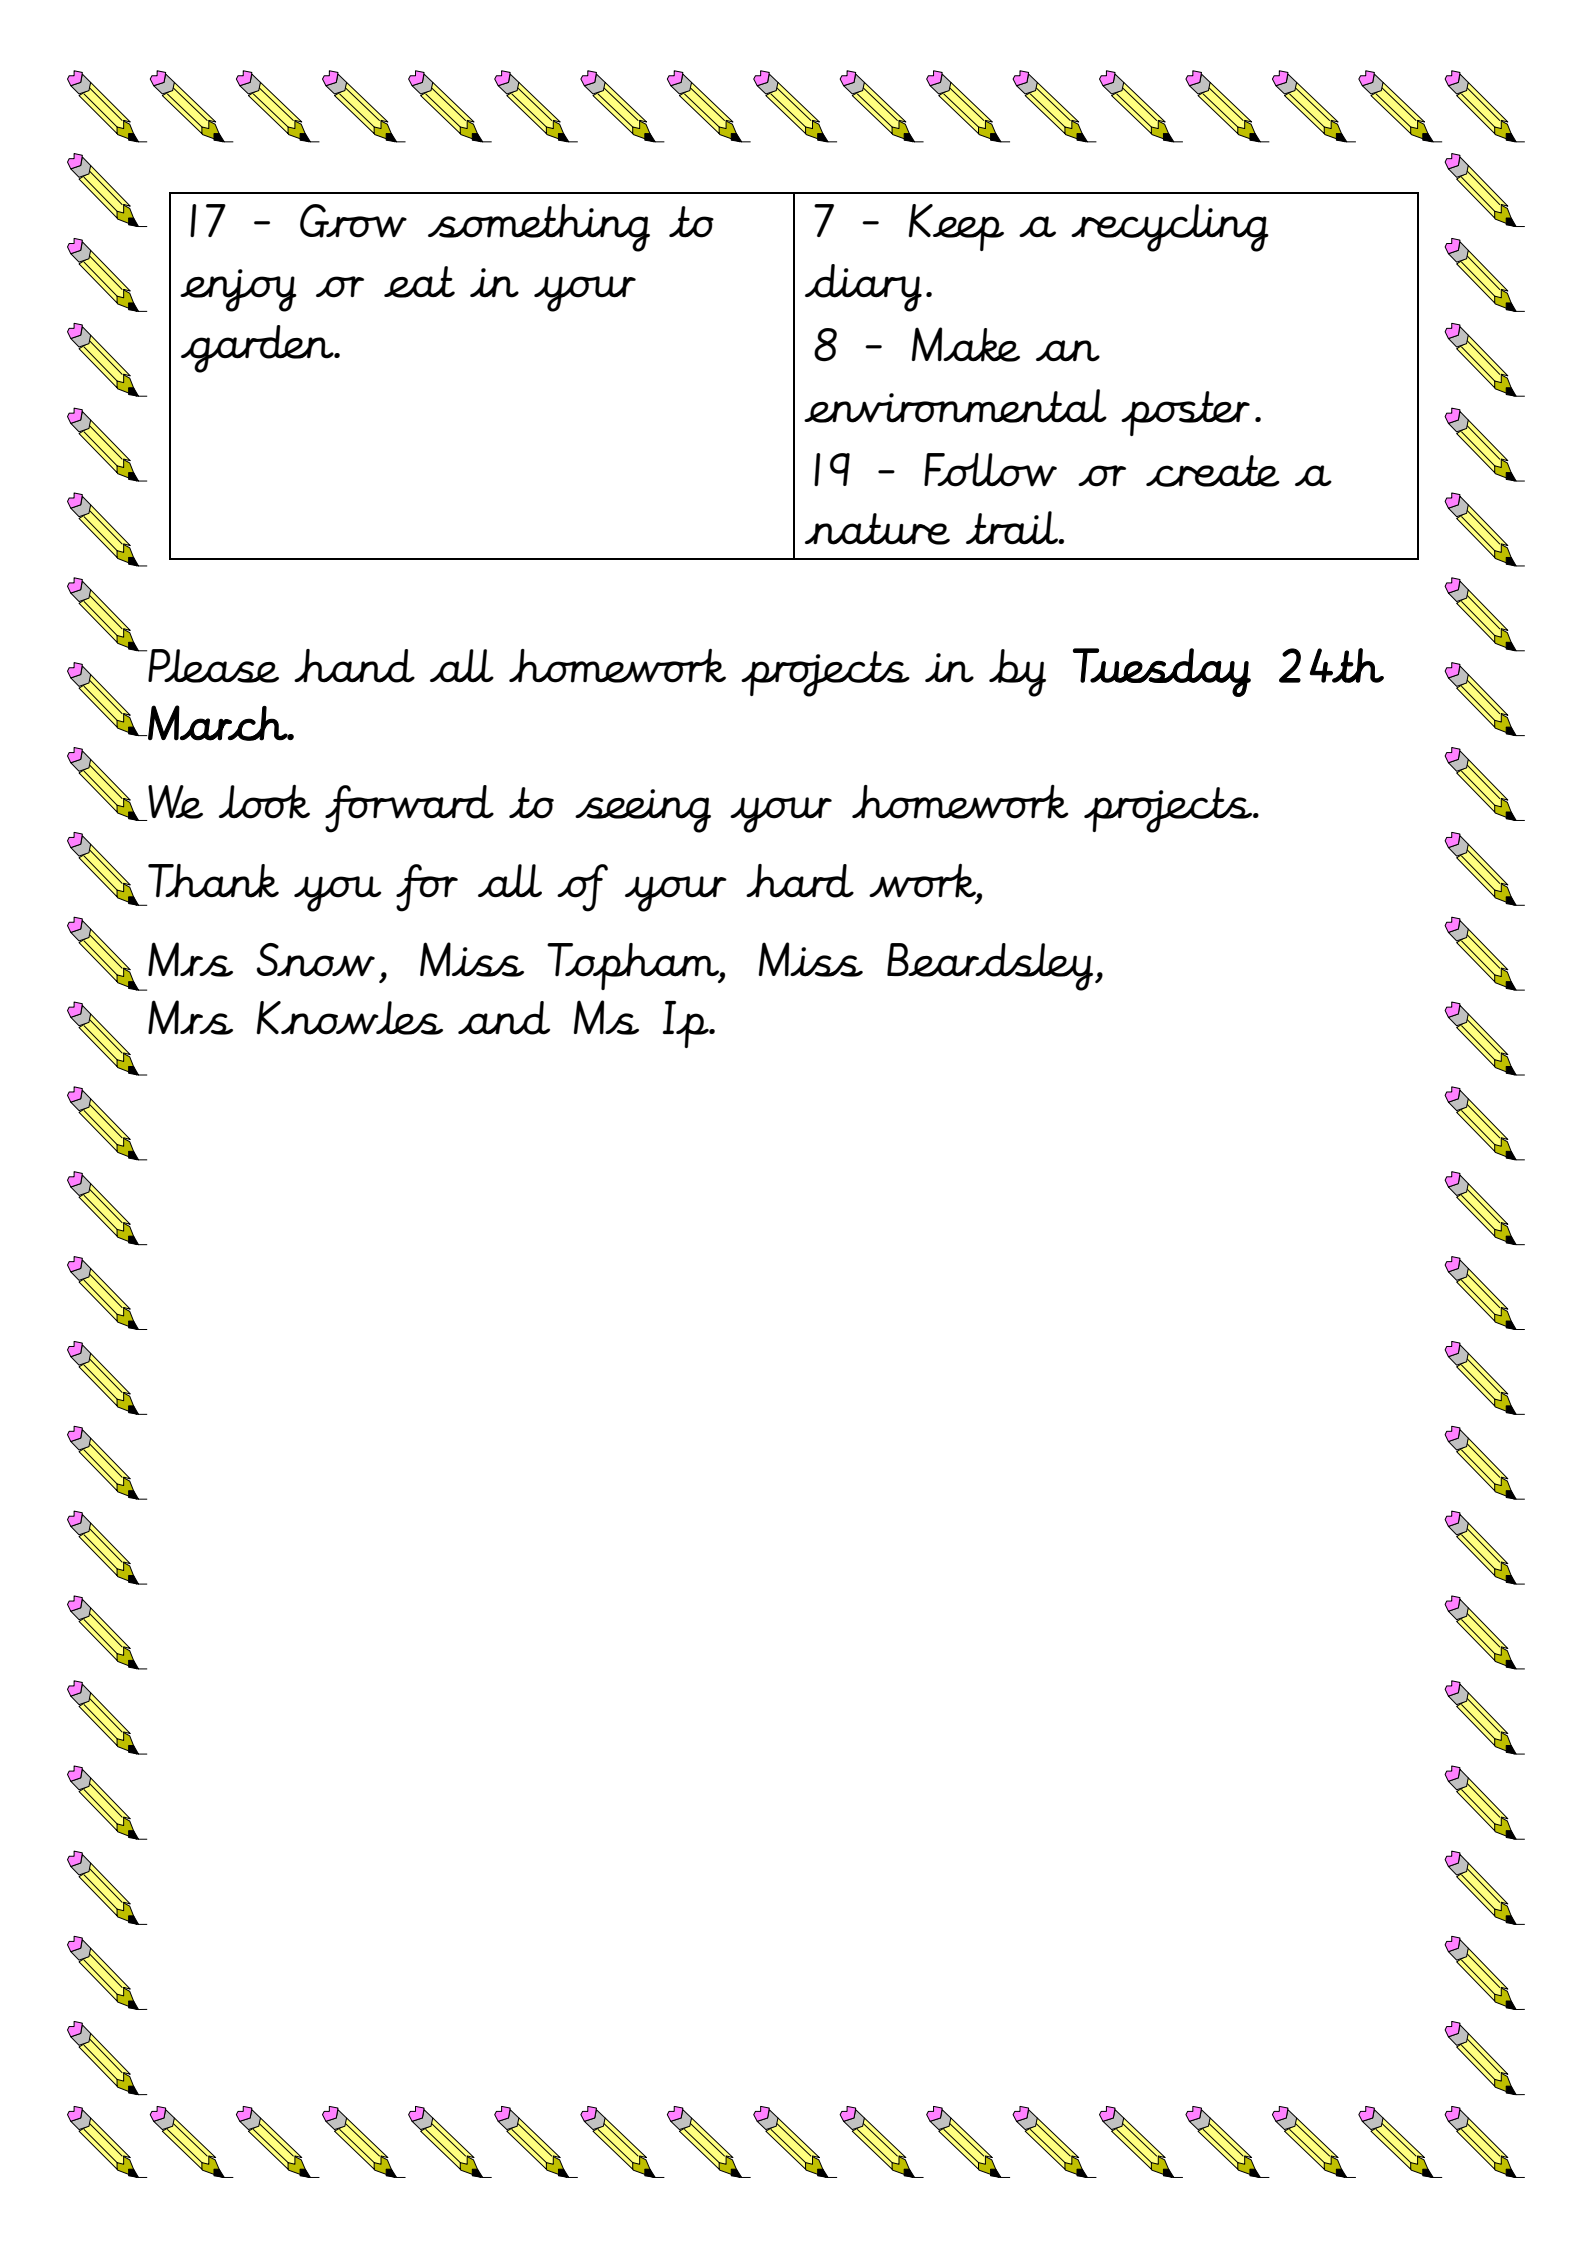

### Family

9 - Take a walk in the countryside.

### Integrity

5 - Clean up the community.

6 - Help improve an area of the school.

17 - Grow something to enjoy or eat in your garden.

7 - Keep a recycling diary.

8 - Make an environmental poster.

19 - Follow or create a nature trail.

Please hand all homework projects in by Tuesday 24th March.

We look forward to seeing your homework projects.

Thank you for all of your hard work,

Mrs Snow, Miss Topham, Miss Beardsley,  
Mrs Knowles and Ms Ip.
