

Maths

In year 1, pupils will be learning about multiplication and division. They will also be learning about place value to 50 and 100.

In year 2, pupils will be continuing their learning on length and height. They will also be learning about mass, volume, multiplication and division.

Please continue to support your child at home by teaching them how to tell the time and by encouraging them to go on Numbots (year 1) or TTRS (year 2).

History

In our history lessons, pupils will learn about the role of the monarch, who Queen Elizabeth II was, and what she did for Britain. We will also explore how our country is now governed and what has changed since King Charles became king.

Science

This half term, we will be identifying how the season has changed from winter to spring. We will also learn about humans and animals' offspring. We will then begin our next science unit called 'Plants'. We will be exploring what a plant is, what plants need to be healthy and naming the parts of plants including trees.

Computing

In our computing lessons, we will be completing the unit '**Creating Media - Digital Music**' this half term. This unit develops pupils' about how music can make them think and feel. They will understand further that patterns make music with percussion and instruments digitally.

English

This half term we will be continuing our learning on writing a short story in the theme of the book 'The King's Hat'. We will then also be learning to writing a persistive poster to try and find the missing hat.

In our closed reading lessons, we will use our **VIPERS** skills to unpick texts which we use in our English lessons. We will also use these texts in our reading fluency lessons.

Please continue to support your child at home by reading with them at least 3 times a week.

Our Heritage

What do I know about the Royal Family?

Year 1/2-Summer Term 1

Design and Technology

In our design and technology lessons, pupils will be creating a fabric royal crown by joining pieces of fabric together and adding its features by using appropriate materials and techniques.

Music

In our music lessons, we will be completing the unit '**Your Imagination**' from Charanga. By the end of the unit, pupils will have listened to a range of freestyle songs and appraised them. They will have also learned and performed a song using instruments and their voices.

Physical Education

Our PE units for this half term are '**Ball Skills**' and '**Cricket**'.

In our ball skills lessons, pupils will learn how to pass and hit a ball in different ways. They will also have an opportunity to take part in team games.

In our cricket lessons, pupils will learn how to bowl a ball, hit the ball and start to understand how to take part in a game of cricket by learning some of the rules.

PE lessons

1A - Monday and Thursday

1/2B - Monday and Thursday

2C - Monday and Thursday

Please ensure children come to school in their PE kits on their PE days.

PSHE

In our PSHE lessons, we will be learning about '**health and wellbeing**'. Pupils will learn the importance physical health has on our bodies by taking part in different physical activities. Pupils will also learn what mental wellbeing is and take part in activities that help with our mental wellbeing such as Yoga. They will also learn who can help with keeping us safe and how to be safe in the sun.

Religious Education

What makes places sacred?

In our RE lessons, pupils will learn what a sacred place is and that a Christian's sacred place is a Church. They will also learn that a Jewish person's sacred place is a Synagogue.
