

# ENGLISH

Viking Boy is our book for this term. It links to our topic all about the Vikings.

Within our English lessons, we will be writing a fictional flashback and a newspaper report inspired by our topic.

Our learning will also include the grammatical features relevant to Year 6 and help children develop effective editing skills.

# MATHS

Our learning this term will focus on the main areas of:

- Fractions, decimals and percentages
- Statistics
- Area, perimeter and volume.

All Year 6 will also be having booster maths sessions during Tuesday afternoons in preparation for SATs.

# Y6 NEWSLETTER – Summer Term 1 2026

Please encourage your child to read daily and learn their times tables at home. MyMaths homework will be set each week to be completed for the following week – this will help to support the learning that has taken place during the lessons.

Please ensure that your child has a labelled bottle of fresh **water** in school each

# Art

Children will be experimenting with textured paint to design and create their own Viking shield.

# Computing

This term, children will be learning how to create and manipulate 3-dimensional digital models.

# TOPIC

*What do I know about the Vikings?*

# PSHE

Our focus for this term will be to discuss and explore our physical health and mental well being.

# SCIENCE

'Animals including Humans' - We will be learning about the changes as humans develop to old age.

RE This term, children will explore the questions: 'What do religions say when life gets hard?'

# PE

PE will take place on **Tuesdays** and **Fridays**. Children need to wear their PE Kits on these days.

It is important to make sure long hair is tied up and **all earrings are removed** on PE days if your child is unable to take them out themselves.
