

## Year 1 and 2 – Summer 2

### Our World and Beyond Homework

During this half term, year 1 and 2 will learn about the continent of Africa and will be comparing Africa to the United Kingdom.

Our key topic question is:

#### **‘What do I know about Africa?’**

At Howitt Primary Community School, we are encouraging our children to become independent learners, who have the enthusiasm to learn and to challenge themselves. There are some different homework projects that your child may choose from.

#### **Africa Homework Ideas:**

- 1) Make African hand or finger puppets using materials that would usually be thrown away.
- 2) Make an African mask.
- 3) Paint and cut out an African animal savannah silhouette.
- 4) Research African animals and create a poster or booklet about them.
- 5) Learn how to draw some African animals. The QR code will take you to a YouTube tutorial.

Please hand all African homework projects in by **Monday 13<sup>th</sup> July**. All pupils who return their homework will receive 5 merits.

We look forward to seeing your homework projects,  
Miss Beard, Miss Lockley, Mrs Clarke and Mrs Payler.
