

Please ensure that your child has a labelled bottle of fresh **water** in school each day. Thank you!

YEAR 6 - Summer Term 2 NEWSLETTER

We have got a lot exciting things to fit in this term before it is time to say goodbye.

Transition Days to Heanor Gate: 1st, 2nd and 3rd July

Homework

Please encourage your child to read daily and learn their times tables at home.

A homework project linked to rivers has also been set this half term.

PSHE

Health and wellbeing including positive strategies for managing feelings.

Keeping safe, growing, changing, relationships and sex education are all areas we will be covering this term.

We will also be using a resource called 'Alright Charlie' which was produced to raise awareness of online safety and grooming. It is age appropriate, gender neutral and accessible to both girls and boys. If you have any concerns, please contact us as we are here to help.

SCIENCE - Forces

We will be learning about the different forces around us and the discoveries of Sir Isaac Newton.

MATHS This term, we will be consolidating our skills and applying these to mathematical projects. We will also undertake some calculator work in preparation for moving on to secondary school.

COMPUTING The children will learn how to create and programme their own quiz.

TOPIC This term's theme is: Our World and Beyond. We will be investigating: **What do I know about rivers?**

As part of our learning, the children will complete their own independent research project too.

ENGLISH We will continue to consolidate grammar and punctuation skills. We will also be focusing on editing and re-drafting to improve the overall quality of our written work. We will be writing both narrative and non-narrative genres using different creative writing prompts.

RE We will continue to explore the questions: 'What do religions say when life gets hard?'

FRENCH

Revision of learning so far and sports.

PRODUCTION (ART, DT & MUSIC)

We will be producing set design, learning songs, acting and performing ready for our Year 6 production.

Tickets will be on sale soon!

PE: We are developing skills in athletics this term. Children need to wear their PE Kits on **Tuesdays and Fridays.**
