

The term is going by so fast. We have so much to pack in before the end of term.

SUN SAFETY IN THE SUN

We wanted some sun and dry weather but last week was very warm but the children have been excellent and have completed their learning as normal.

Please remember to continue to apply suntan cream to your child **before they come to school**. Please send your child with sun hat/cap and their **water** bottle so they can drink **water and refill their bottles with water**.

The staff at our school work very hard and care about your children. They are an amazing staff. If you have a worry or concern, then please do come in to see us. We are happy to help in any way that we can. However, please do not shout or swear at the staff as they do not deserve this. We will not continue the conversations if this takes place in future. Mrs Pilling
