

It is amazing how fast the time goes. We are now starting our last half term of the year. We have lots of activities, events and learning planned.

### SAFETY IN THE SUN

As we are moving into the summer months, we hope we will have some lovely dry sunny weather. We would like to remind you to remember to apply suntan cream to your child **before they come to school**. Your child can bring some suntan cream with them to school as long as they can apply their own cream. The suntan cream must have the child's name on it. The staff **cannot** apply the cream for your child. Please send your child with sun hat/cap and their **water** bottle so they can drink **water** and **refill their bottles with water**.

### LONDON VISIT

The year 6 children really enjoyed their visit to London before half term. They looked very tired as they arrived back, so hopefully they have now recovered! It has been an amazing experience for them and one they will never forget. Thank you to the staff for taking them this year.

### TESCO TOKENS PLEASE CONTINUE TO HELP US

This is a reminder to support us in collecting as many tokens from your Tesco shopping as possible so that you can vote for our project - maintaining Hannah's Garden. The token collection is open until the end of June. We could receive funding of up to £1,500 if we win the vote! Please continue to vote with blue tokens and support us with this project to remember a cherished member of our school.

### SMALL CHILDREN

Please continue to keep your children with you as you come through the gates and onto the key stage 2 playgrounds. This is for safety reasons. We have had so many children racing across the playground and just running and chasing on the lower playground.
