

EASTER

On the last day of term (**4th April**) we are planning to have an Easter hat parade and competition for the reception children and key stage 1 children which is always so lovely. We are also holding an Easter egg competition for our year 3, 4, 5 and 6 children. The children can decorate a hardboiled egg. The completed creations can be brought into school or can be photographed which can then be emailed into school. Nursery/Rhyme Room will be holding an Easter hat competition on Thursday 3rd and Friday 4th April.

LEA GREEN VISIT

The year 4 children really enjoyed their visit to Lea Green last week. The weather has been amazing too. It is brilliant that they enjoyed the activities. A big thank you to the school staff that led the visit as without their commitment this visit would not have taken place.

MISSED MEETINGS

Thank you for attending the parents/carers' meetings over the last couple of weeks. If you missed your appointment or couldn't attend, please come and make an appointment with your child's class teacher. It is so important to know how your child is progressing in school.

FOOD RECYCLING

From 1st April we have to follow new legislation to recycle our food waste. The children who bring sandwiches to school will need to take home all of their left-over food and all wrappers etc. The children who have a school dinner will continue to put any waste school dinner food in one bin which will then be collected for recycling.

INDIVIDUAL SCHOOL PHOTOGRAPHS

Your child will be having their individual school photograph taken on Thursday 3rd April, please send your child in their school uniform. Sibling photos will be taken at a later date. There will be no PE on this day for pupils in years 3 and 4.

USED UNIFORM

Thanks to your support, we have a plentiful supply of clean, good quality used uniform for any families that need it. Unfortunately, due to lack of storage, we are unable to accept any more used uniform until further notice.

PARKING

We continue to have issues with parking outside of the school on both sides of the school. Cars have been parked on the pavement over or on residents' driveways. We continue to report any concerns to the police. Please report any concerns that you have to the police as well so that more measures can be taken to ensure the safety of your children.
