

It is good to have some sunshine this week. It is lovely for the children to be outside enjoying the weather.

A BRILLIANT WORLD BOOK DAY

We had an amazing World Book Day last week, where the children really enjoyed the theatre production of 'Treasure Island'. The children's costumes were brilliant too. We had so many dressed as their favourite character from a book as well as a lot of children dressed as pirates. The nursery children were so excited to wear their pyjamas too to celebrate reading at bedtime.

Thank you for all of your support with costumes and discussions of book characters.

PARENTS' EVENINGS 18TH AND 20TH MARCH 2025

Please book an appointment to see your child's class teacher. It's so important for your child that you attend the parents/carers' evenings to know how your child is making progress, to discuss what and how your child is learning inside the classroom and out of it, and to see their books. The children really like you to see their books and their work.

You were emailed a link on Wednesday 26th February to book your appointment(s). **Please contact eh office if you need help booking an appointment.**

IMPORTANT

Please make sure that your child is in school every day unless they are ill of course. If they miss a day of school they lose out on so much learning inside the classroom and outside of it, which cannot be caught up. We are monitoring attendance and lateness very closely.

VISITORS

As a school and part of the Embark Trust, we have been asked by Ofsted to take part in the pilot Ofsted inspections. This is a positive reflection from our previous inspection and from the Embark Trust. We will have Ofsted inspectors in school this week to trial the new Ofsted changes. This is not an official inspection for the school but is just a planned trial of the new inspection format which will start in November 2025 and does not reflect on the school in any way. It does mean that we can have an influence on how future inspections take place which will support our staff and children as well as parents/carers in the future.
