

YEAR 4 MULTIPLICATION TIMES TABLES INFORMATION MEETING 13TH FEBRUARY 2025 AT 3:30PM

We are having a meeting for the parents/carers of the year 4 children. The children will be taking their times tables multiplication test in June. This is a time to hear how the test is run, how we teach times tables and how you can help your child at home.

Thank you for supporting your children with the DJEMBE concert. It was a lovely afternoon. The children enjoyed sharing their learning. Their singing was amazing too. We have another concert to look forward to in July at the end of their next set of music lessons.

Phonics The reception children were so excited to share their phonic learning with parents and carers last week. It was great to see so many visitors in school. Thank you for supporting us with your child's learning.

WORLD BOOK DAY - 6TH MARCH

We will be celebrating World Book Day by watching a performance of 'Treasure Island'. The production has been funded by the money raised at the Christmas Fair and some HSBC funding. Pupils can come dressed as a pirate or a favourite book character if they wish.

GATES

We still have parents bringing children across the carpark early in the morning when staff are trying to drive in and park in the carparks. Please use the pedestrian entrance on Holmes Street at all times, to access the school including the nursery and room for the two year olds. It is so busy on Holmes Street. If you have to drive your child to school, please park elsewhere and not on Holmes Street as it is such a busy and congested street. We all need to keep your children as safe as possible.

STRAWS. If your child brings a water bottle to school, please ensure it is a bottle without a straw but just with a spout. This will be a lot safer for your child especially if your child is in key stage 1.

We are always here to support you and your children. If you have any concerns or worries, then please telephone the school or come and chat with the teachers.
