MUSIC TEACHING

Just to update you on our music teaching which parents asked about on the parent questionnaire. The children take part in experiencing and enjoying a different theme of music each week. They also follow our music curriculum. The year 3 children are continuing to enjoy their Samba playing led by the Music Partnership. We look forward to hearing their performances later in the academic year. We also have the drummer teacher and the piano and guitar teacher who come in each week to teach these instruments to children who have requested and paid for lessons. Friday break time in key stage 2 is a dancing to music session on the playground which the children are really enjoying. It does get them moving!
